

PE and Sports Premium

The Primary PE and Sport Premium is a government-backed funding initiative aimed at helping primary schools across England improve their physical education and sport provisions.

The premium is designed to help children get an active start in life, supporting primary schools to improve the quality of their PE, physical activity/literacy, and sport provision so that pupils experience the benefits of regular exercise. This results in pupils becoming healthier both mentally and physically, to improve behaviour and academic achievement.

The funding aims to achieve improvement in all areas of PE, from the standard of physical education to introducing health focused physical activities and after school sports. The key objectives of the premium are:

- Engage pupils in regular physical and healthy activity
- Raise the profile of PE and sport across the school as a tool for whole-school improvement
- Increase confidence, knowledge, and skills of all staff in teaching PE and sport
- Create a broader experience of a range of sports and activities offered to pupils
- Increase participation in competitive sports

The PE and Sports Premium grant for 2019/20 was £8000

The PE and Sports Premium grant for 2020/21 is £9000. Due to disruption caused by Covid-19 the Department for Education (DfE) has given permission for schools to 'carry over' any underspend from the academic year 2019/20 into this year 2020/21 but Kisharon chose not to do this.

The PE and Sports Premium grant for 2021/22 for schools with 17 or more pupils is £16,000 plus £10 per pupil = £13,000

The PE and Sports Premium grant for 2022/23 for schools with 17 or more pupils is £16,200

Key indicators

1. The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils

Key priorities for 2022/23

- Outdoor provision to be developed to be more effectively used during break and lunch time, fully integrated into the whole-school curriculum
- Classroom playgrounds to be developed further to support with pupils sensory regulation
- Develop the opportunity for pupils to engage in cross-curricular PE and sports activities
- Develop the use of the outdoor space for early years provision to get an active start in life
- Strengthen the PE and sports offer for students on the informal and PMLD curriculums
- A range of PE and sports activities are on offer to encourage students to lead healthy physical and mental lives.

Action Plan and Budget Capture

Academic Year: 2022/23 **Total fund allocated:** £16,200 **Date Updated:** November 2022

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school

Percentage of total allocation:

Intent	Impact	Implementation		Sustainability and next steps:
		Action	Amount	
All pupils at Kisharon School have access to high quality PE and sports provision and teaching, regardless of ability or disability.	Outdoor provision to be developed to be more effectively used during break and lunch time, linked to the whole-school curriculum Develop the use of the outdoor space for early years provision to get an active start in life Strengthen the PE and sports offer for students on the informal and PMLD curriculums	Whole school sports day involving all students	£1,500	
		Development of Forest School outdoor provision	£3,000	

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Percentage of total allocation:

Intent	Impact	Implementation		Sustainability and next steps:
		Action	Amount	
Students lead both healthy physical and mental lives, due to a whole-school approach to linking PE and sport with health.	Classroom playgrounds to be developed further to support with pupils sensory regulation A range of PE and sports activities are on offer to encourage students to lead	Development of the Forest School	£1,000	

	healthy physical and mental lives.			
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
Intent	Impact	Implementation		Sustainability and next steps:
Ensure that all staff and pupils increase their health and wellbeing in a safe, positive, Jewish environment and feel confident in driving this forward.	Following the Forest School's principles ensure that staff are confident in delivering high quality provision in line with the whole school curriculum intent	Action	Amount	
		Training for wider staff groups to follow the Forest School principles	£3,000	
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
Intent	Impact	Implementation		Sustainability and next steps:
Pupils have access to a wide range of PE and sports activities and this is embedded across the curriculum.	Develop the opportunity for pupils to engage in cross-curricular PE and sports activities	Action	Amount	
		Forest School outdoor and offsite activities	£1,500	

Spending 2022/23
